

Public Comment: FCC Proceeding 13-86

I oppose any changes to the current FCC indecency standards. The FCC must continue to vigorously oppose ALL indecent content, even if brief or "fleeting".

The Supreme Court has affirmed the FCC's authority to enforce policies prohibiting indecent broadcast content during hours when children are likely to be in the viewing or listening audience. Relaxing the current policy would not serve the public interest.

I urge the FCC to reject all proposals that would allow for the broadcast of expletives and nudity on FCC-licensed stations.

Ms. Dorch,

As a 30 year member of
the Directors Guild of America
I am deeply appalled at the
insensitivity that fellow
'Liberal Democrats' who always
use the Buzz word "For the
Children" are that insensitive to
the horrible disaster they
are allowing to fester through
government controlled airwaves!
Your Dept. is a disgrace to
allow the types of programs to
air to a viewing audience of
Children! Regards, Michael Kelly

Jo FCC :

I strongly oppose your
proposed change - you do not
work for the entertainment industry

millionaire boss, but for the

American people. The American

families want more enforcement

of broadcast decency laws, not less.

Do you want your children or

grandchildren watching all that

nudity, sex, & foul language?

Please consider what this is doing

to our families, young & old.
